and

Qmlativ Was It's Name!

Kaila Durnen – SIS Solutions Engineer
Calvin Williams – SIS Solutions Engineer

Rules

- We will ask a question based on a scenario you might encounter at your school
- You will want to find the appropriate tool/feature/utility/report on your bingo card that would be utilized to assist with that scenario
  - Not all answers may be on your card
- Mark your card until you've reached a BINGO and let everyone know!
- Games will be based on available time during the session
