Streamlining Communication: Built-In Solutions That Work

Calvin Williams – Solutions Engineer

Session Description

This session dives into the built-in tools within Qmlativ that simplify and enhance entity and district-wide messaging and collaboration.

Learn how the Message Center, personalized letters, student notes, and visual indicators ensure that the right information reaches the right people, at the right time.

Communication Questions

- Who do you use Skyward to communicate information with others?
- How do you communicate within Skyward?
- Why do we need to use Skyward to communicate with others?

What is Effective Communication?

Effective communication involves a **sender**, a **message**, a **medium**, and a **receiver**, and often includes **feedback** to confirm understanding.

What is Communication?

- **Communication** is the process of exchanging information, ideas, thoughts, feelings, or messages between individuals or groups. It can occur through various methods such as:

- **Verbal communication**
  - Spoken or written words)

- **Nonverbal communication**
  - Body language, facial expressions, & gestures)

- **Visual communication**
  - Charts, graphs, & images

- **Digital communication**
  - Emails & notifications
  - Texts & social media
