Workshop: Design, Customize, Deliver

Getting the Most from Dashboard Manager

Kaila Durnen – SIS Solutions Engineer
Calvin Williams – SIS Solutions Engineer

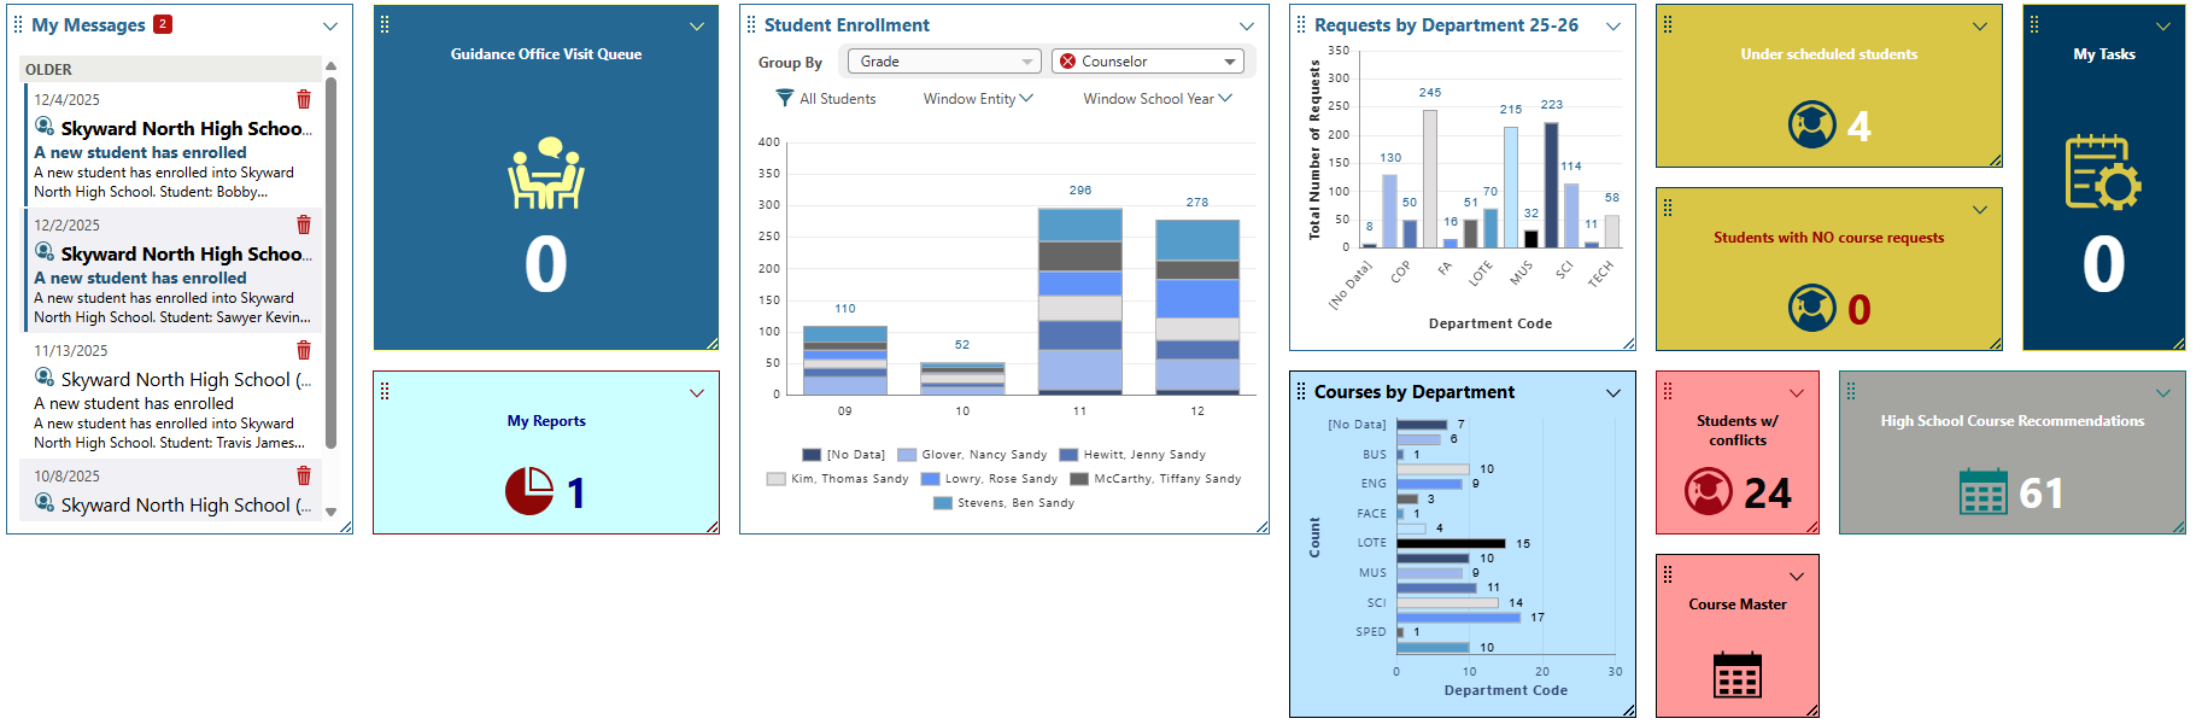

Session Description

In this hands-on workshop, we will walk participants through the full lifecycle of dashboard creation using Dashboard Manager—from initial design to customization and delivery.

Bring your questions and use cases—this interactive session is designed to equip you with practical skills and insights to make your dashboards truly impactful.

*please bring a laptop/tablet to this session
